Commissioners: This Thursday, May 19, 2016, EPA will release new Health Advisory numbers for PFOA and PFOS in drinking water. I cannot share the new number until Thursday. Region 2 Clean Water Division staff have been in touch with your respective staff and we will schedule conference calls with your staff for this Thursday and Friday. We are available to discuss any questions/comments at your convenience. I am in Niagara Falls and Buffalo on Thursday and Friday of this week. If you need to reach me, please send me an email at this email address and I will promptly call you. Thank you for your cooperation.
